TEACHING EXPERIENCE

- Pittsfield High School** *Student Teacher* To be completed Fall 2016
- Will develop and create lesson plans for 7 classes with 5 different preps, that align to Common Core State Standards, State Learning Standards, and the National AFNR Standards
 - Plan to provide instruction and accommodations to approximately 130 students within the agriculture department and will work closely with the FFA chapter to practice the role of FFA advisor
- GAST Internship at Pittsfield High School** *Paid Intern* Spring 2016
- Aided in daily classroom activities such as grading papers, helping students one on one, and classroom management for about 30 students per class, to complete and record over 85 hours of activity at Pittsfield High School
 - Assisted in FFA Career Development Events such as poultry, livestock, horticulture, and public speaking
- Western Illinois University** *Lab Assistant* Spring 2015
- Provided one-on-one and group assistance in a laboratory setting of 60 students, that were learning technical skills such as electrical wiring, surveying, small engine repair, metallurgy, and concrete and wood construction
 - Graded papers and made copies for daily lessons, completing over 60 hours of paid lab experiences
- Agriculture Education Classes** *Student* August 2013- December 2015
- Created and taught numerous lesson that aligned with all the necessary standards, to fellow classmates, classes of roughly 20 students at both the West Prairie High School, and the 3rd and 5th grade classrooms at St. Paul Elementary Schools
 - Utilized a variety of teaching methods and assessments that focused on implementing different levels of Blooms Taxonomy
- Winchester Elementary School** *Substitute Teachers Aide* August 2013- May 2015
- Worked with special needs students one-on-one and in small groups to complete daily assignments
 - Provided classroom management while supervising teacher was away, keeping students on task and providing assistance on assignments when needed to students in multiple grade levels

WORK EXPERIENCE

- WIU Sociology & Anthropology Department** *Office Assistant* August 2013- May 2016
- Provided office assistance for approximately 20 faculty members, by making copies, filing paperwork, shredding sensitive documents, sorting mail and keeping the office supplied and clean, working an average of 5 hours a week
 - Assist with running errands and performing special projects as assigned such as designing bulletin boards, delivering files to various locations, and creating documents using Microsoft Word
- Hertzberg-New Method Inc. Bindery** *Seasonal Laborer* June- August 2013
- Organized and sorted books, filled customer orders and filed appropriate paperwork
 - Actively worked 40 hours a week, completing individual tasks and working with a team as needed
