Projects

FARM PROGRESS SHOW:

Scheduling between 45 members and 5 different companies to create work schedules, lunch plan, competition timetables, and media relationship interviews. John Deere-worked as a customer relations specialist, Monsanto-display coordinator, Pioneer-worked at a specialty program booth

AG-U-CATION:

Created a partnership between the Farm Bureau Ag in the Classroom coordinator and 10 FFA members by creating lesson plans and units for presentation to 300+ grade school students based on program goals set for the year.

8TH GRADE RECRUITMENT:

Program designed to educate junior high 8th grade students about the three sectors of the Agriculture Program; Lab/Instruction, FFA, and Supervised Agricultural Experiences. Activities and lesson were designed to show students about the Maroa-Forsyth FFA chapter.
